Forecast For Wales
Issued by Met Office Exeter
at 0400 on Wednesday 21 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly sunny, and feeling hot on Wednesday.

Today:
A fine and dry day under clear skies, with plenty of sunshine. Into the afternoon, some patchy fair-weather cloud will develop. Feeling hot in most places. Maximum temperature 32 deg C (90 deg F).

Tonight:
Remaining clear and dry this evening and tonight, with a potential for fog to form overnight along northern and western coasts. Feeling warm. Minimum temperature 14 deg C (57 deg F).

Thursday:
Fine, sunny conditions continue, with clear skies for most. Fair-weather cloud bubbling up during the afternoon with a risk of some isolated thundery showers. Remaining hot. Maximum temperature 32 deg C (90 deg F).

Outlook for Friday to Sunday:
Another largely dry and quite hot day on Friday with sunny spells and some isolated showers. Rain, perhaps thundery arriving on Friday night and into the weekend. Cooling down.
